

Dear Heritage Plus Golf Members,

We're excited to share an enhancement to how you request tee times within your local market. **Starting May 1**, local tee time requests will no longer go through your Golf Pro. Instead, you'll use the same convenient method you already use for requesting tee times when traveling.

Here's what's new:

You'll now request local tee times directly through the Heritage Plus Concierge Center, accessible via your Members First portal. A new button labeled "Request a Tee Time - Local Plus Network" has been added to make this process seamless.

Concierge Center Hours:

Monday - Friday | 8 AM - 5 PM

Please keep these hours in mind when submitting your requests.

Need Assistance?

If you have any questions about this update or need help with your request, feel free to contact us at heritageplus@heritagegolfgroup.com. Our team is here to support you.

Your Heritage Plus Local Benefits Remain the Same:

- 2 discounted rounds per membership, per month November - April (TPC Tampa Bay only)
- 4 cart fee or discount rate only rounds per Club, per membership, per month May - October (all participating Clubs)
- 5-day advance tee-times in Local Market

We're confident this update will make booking tee times even easier and continue to elevate your experience as a valued Heritage Plus Member.
