

WGA Newsletter

From President Debbie Askin:

Hard to believe the season is almost over. We made it through our second year of renovations and eagerly await the changes to King's Dunes. We'll keep you posted through the summer!

A big thank you to everyone in the WGA Steering Committee for your contributions. We had some amazing events! It takes a village to make the WGA run smoothly – thank you all for your help this year. Sue Hines brings great energy and was a pleasure to work with. She has been working diligently to organize the upcoming season and is almost done. Sue will be a great president!

Have a safe and fun summer and we'll see you in the Fall! Safe travels!

WGA Survey is Coming Your Way

WE NEED YOUR INPUT! The WGA is made up of a diverse group of women with different motivations and levels of interest around golf, the game that brings us together. Programming for such a diverse group is challenging...your input is valuable in helping the Exec Board and Steering Committee plan a successful year for all. Please respond when the survey hits your email.
