STUDIO A - CLASS DESCRIPTIONS

Balance, Core & More - Balance, Core & Stretch - Yoga, Balance & Core

Utilizing weights, Swiss balls and other props, this class will help strengthen, tighten and tone your core muscles.

Vinyasa Yoga/Vinyasa Flow

A combination of flowing yoga poses that lengthen, tone, and strengthen the body. Focus on breathing through the movements.

Golf & Tennis Conditioning

An athlete's class focused on exercises that enhance golf, tennis, and athletic performance.

Hatha Yoga

Integrating breath, all levels of posture, mental stamina, and emotional wellbeing to enhance core strength and balance in daily activities.

Barre Fusion

Practice and implement classic barre/dance movements that strengthen and lengthen your body.

Gentle Yoga

A variety of yoga poses focused on awakening and stretching the muscles. This class is suited to all levels, and focuses on breathing, movement, and wellness.

Pilates

Bases on the principles of Joseph Pilate, this class teaches proper Pilates methodologies to tone and tighten the body.

Barre Tone & Tighten

A class that mixes classic barre movements to strengthen and tone the mind and body.

Chair Fitness

Using chairs, weights, bands and coordination exercises to enhance flexibility, strength, brain balance and relaxation. A fun way to stay fit anywhere you sit.

Yoga Fusion

An immersive variation of yoga poses fit for all levels. This class will focus on breathing, strength, movement and flowing through a variety of poses.

Glutes & Abs

Focus on core strength and glute toning to aid with overall strength and balance.

QiGong/MELT

QiGong is a traditional Chinese practice combining gentle movements, breathing and meditation. MELT is a relaxation class that helps resolve specific pain issues through small, precise movements. It is done on a floor mat.

Barre With A Twist

A class that mixes classic barre movements with yoga poses and movements for all levels of fitness.

STUDIO B - CLASS DESCRIPTIONS

Pump It Up

PUMP IT UP is a fast-paced, body bar/hand weight/band-based workout specifically designed to help you get lean, toned and fit.

H.I.I.T.

A high intensity interval training (H.I.I.T.) - A challenging combination of strength and cardio using timed intervals

Cardio Strength Fusion

A combination of cardio and strength exercises designed to give you a total body workout.

S.U.S. - Straight Up Strength

A strength class that will push your muscular endurance by implementing high repetition of challenging strength exercises.

Tabata

A cardio and strength workout that implements short bursts of high intensity with periods of rest, designed to maximize both cardio and strength abilities.

Cardio Blast

A combination of cardio and strength training that will challenge both your cardiovascular and muscular endurance.

Zumba

Latin dance cardio class designed with fun routines that keep participants burning calories while having fun.

Circuit Training

A variety of high intensity intervals that combine cardio and strength exercises.

R.I.P.P.E.D.

Total body strength and cardio workout. Resistance, intervals, power, plyometrics, endurance and diet.

Strong & Stable for Golf & Tennis Conditioning

A combination of stretch, core and balance work to develop stabilization and a stronger core foundation. An athlete's class focused on exercises that enhance golf, tennis, and athletic performance.

Hard Core Strength

A challenging strength training-based class for people looking to enhance their fitness levels through power and resistance training.
