Welcome to Lakewood Ranch

The Area's Only Four-Course Private
Golf and Country Club

Lakewood Ranch Golf & Country Club is an award-winning, private club located in the nation's best-selling, multi-generational community of Lakewood Ranch. Since 2001, the club has served as a social and recreational retreat that offers a casual club culture and community lifestyle for the entire family. The master-planned community of Lakewood Ranch, spanning over 33,000 acres and developed by SMR, is just minutes from the white sands of Siesta Key, with easy access to the arts and culture of downtown Sarasota. Already home to more than 66,000 residents, the community continues to expand with ongoing residential development plans.

Heritage Golf Group acquired Lakewood Ranch Golf & Country Club in early 2024. Heritage Golf Group is one of the fastest-growing boutique owner-operators of upscale private country clubs and high-end daily fee courses. The company specializes in lifestyle membership offerings and extraordinary experiences for avid golfers and the whole family. Heritage Golf Group's portfolio includes properties in the eastern, central, and Rocky Mountain regions of the US. Over the past five years, Heritage Golf Group's collection has grown from six clubs to 42 across 15 states.

We are proud to offer our members at Lakewood Ranch Golf & Country Club an array of extraordinary amenities, including three clubhouses, four private golf courses, three practice facilities, twenty tennis courts, twenty pickleball courts, a fitness center, two outdoor heated swimming pools, and several dining and entertainment options.

Dining & Events

All members have access to our three beautiful clubhouses, which offer incredible dining and social activities: *The Main Clubhouse* in Country Club West, *The Lodge* in Country Club East, and *The Legacy* in Country Club West.

Some occasions call for white linen, crystal, and fine dining. Others just need a couple of good friends, a perfect cocktail, and a great view. The Main Clubhouse and The Lodge are the two hubs of social life at the Club, whether coming in from the 18th hole, meeting up for cards or wine club, or celebrating a special milestone.

Members often say that we are a club that feels like a community. That's owed in large part to the events and traditions that connect people throughout the year, from father-daughter dances to Fourth of July fireworks. At any level, your Lakewood Ranch Golf & Country Club membership will lead you on a journey of peak experiences, great friendships, and cherished memories. We offer programming for our littlest members all year round. Whether it's visiting with Santa in December or our back-to-school BBQs in the Summer, there is always a tradition to look forward to.

A Unique Culinary Experience

Our chefs take great pride in carefully sourcing high-quality, fresh, and organic local ingredients daily. Working from our scratch kitchens, they constantly reinvent the menu to offer a diverse culinary experience, with everything made in-house! At Lakewood Ranch Golf & Country Club, we strive to provide enriching programming for our members, including wine events, specialty cuisine nights, live music, comedy, trivia, and arts events.
