

WGA Intracub Team League

What is it? We are delighted to introduce an Intracub Team League that will start this fall. All WGA members are welcome and encouraged to join! The emphasis will be on fun, camaraderie and friendly competition.

Details: All current WGA members will receive an invitation to join the Intracub Team League in early September. The registrants will then be divided into evenly matched teams based on number and handicap via Golf Genius. The number of teams will be determined by the number of members who sign up to participate in this league. These teams will be announced at the Opening Day Happy Hour on Tuesday, October 7, 2025. Team members DO NOT have to be present at the happy hour because everyone will receive an email on October 8, 2025 listing each team and its members.

Dates and Format of Play: Teams will play on the first Tuesday of each month from November through April (11/4/25, 12/2/25, 1/6/26, 2/3/26, 3/3/26 and 4/7/26). Participants should be available to play at least 50% of these dates. A Stableford format will be used for 18 holes based on the player's course handicap.
